PRESS RELEASE

Familiprix continues its expansion
GRAND OPENING OF THE BANNERS 400TH PHARMACY
FOR FAMILIPRIX'S 40TH ANNIVERSARY!

Québec, October 20, 2020 – Familiprix, with its headquarters based in Québec, is celebrating its 40th anniversary by announcing an expansion. Located in all regions of Québec and New Brunswick, Familiprix is proud to announce the opening of its 400th branch in the municipality of Saint-Thomas-de-Joliette.

Founded in Rivière-du-Loup in 1980, Familiprix, with its unique business model, is the only Québec banner that has been owned by pharmacists since the very beginning.

Familiprix and pharmacists affiliated with the Familiprix banner employ 6450 people throughout the network. The banner has 400 pharmacies throughout Québec and New Brunswick.

"At Familiprix, we believe that pharmacists play an important role in the day-to-day lives of their patients and significantly improve their quality of life. This is why we work relentlessly to reinvent our know-how, improve the services we offer, and build today the pharmacy of tomorrow," explained Albert Falardeau, Pharmacist and President of Familiprix. "Innovation has always been a huge part of Familiprix's DNA. We can always do more and do better to maintain people's health. Our strength of being united—and yet independent—enables us to innovate over and over again, whether with our dispensary software, our very own distribution centres in Québec City, our own point of sale software, our mobile apps, or our digital platforms"

About Familiprix's 400th pharmacy located in Saint-Thomas-de-Joliette:
This 4000-square-foot Familiprix Health branch is owned by pharmacists Isabelle Parent and Yannick Coulombe. It employs over twenty people. In 2021, the owners plan to invest $200 000 to modernize the pharmacy's equipment by adding new lab work stations as well as increase the number of professional services offered at the branch.
